This is a pretty small free poster by Daphne Graham which lets you create the same look as the poster in the Kitchen Draw sample image above and below. Then create a new layer, fill with a solid color, and move it down just a bit, fill with the solid color again, and delete it, and repeat. You can do this for any of the colors in the poster. 7. DIY Carpet Window Tinting Kit - Wine Red: DIY Carpet Window Tinting Kit - Wine Red If you can't afford the Wine Red kit, you can easily DIY a similar look.

Use a dark color to create a gradient like this photo above and below. Start with a dark green in the center and then move in to the orange and finally the wine red. I like how this looks like the “kitchen draw” look on the movie poster but then just a little bit darker. 8. DIY Carpet Window Tinting Kit - Deep Blue: DIY Carpet Window Tinting Kit - Deep Blue The Deep Blue kit from Wine Red is similar but darker. I love how the gradient looks on the movie poster but I think it is too dark for a home. 9. DIY Carpet Window Tinting Kit - Dark Blue: DIY Carpet Window Tinting Kit - Dark Blue This Dark Blue kit is just a darker version of the Wine Red one above. 10. DIY Carpet Window Tinting Kit - Black: DIY Carpet Window Tinting Kit - Black This is the black kit from Wine Red. 11. DIY Carpet Window Tinting Kit - Blue: DIY Carpet Window Tinting Kit - Blue This is the blue kit from Wine Red. 12. DIY Carpet Window Tinting Kit - Green: DIY Carpet Window Tinting Kit - Green This is the green kit from Wine Red. 13. DIY Carpet Window Tinting Kit - Pink: DIY Carpet Window Tinting Kit - Pink This is the pink kit from Wine Red. 14. DIY Carpet Window Tinting Kit - Purple: DIY Carpet Window Tinting Kit - Purple This is the purple kit from Wine Red. 15. DIY Carpet Window Tinting Kit - Red: DIY Carpet Window Tinting Kit 82157476af
